## Focused on Your Wellbeing.

As the leading brand of whole body vibration equipment, Power Plate® has been scientifically proven to address a range of medical conditions, speed recovery time, and quickly return patients to their activities of daily living.

Our newest model, the pro7 Healthcare, is the first commercial vibration training machine designed specifically for the needs of medical facilities and treatment centers. The pro7HC™ comes complete with patient friendly, integrated LCD touch screen video programs focused on neurological (neuro) health, pain relief and common conditions. Equipped with an integrated heart rate monitor and embedded multidirectional cables, range of motion tracking, and real-time variable resistance (power output) display, the pro7HC makes assisting patients easier and more efficient.

Whether you are looking to address neurological based conditions, physical pain, or general health issues, the pro7HC is a valuable addition to any practice.
